# The Highlights

# About Thundercat

- Enjoy a guided walk to Hill Inlet Lookout
- Swim in crystal clear waters
- Snorkel our stunning fringing reefs
- Fresh wholesome lunch and snacks
- Beautiful natural surroundings
- Value for money
- Experienced crew
- Access to stunning beaches
- Plenty of room to move around the deck

THUNDERCAT offers an exhilarating ride around the spectacular Whitsunday Islands and its natural surroundings. Our amazing 12m x 3.5m ocean-going THUNDERCAT boasts two power-punching engines of 300 horse power each and can take a maximum of 30 passengers. This vessel has been designed and built for stability and speed. She offers the smoothest ride possible, ensuring all passengers enjoy an adventure of a lifetime in comfort and style.

**Terms and conditions:** All prices are per person in AUD and include GST, National Park, Great Barrier Reef Marine Park entry fees, professional skipper and host, live aboard, all meals, fresh linen and use of snorkel suits and snorkelling equipment. Cancellations made less than 24 hours before departure will result in complete forfeiture of full price. We reserve the right to substitute vessels without notice at any time for any reason. We recommend you take out travel insurance covering illness, injury, loss of personal goods and the inability to travel due to weather. Clients should note that adventure travel involves risk. Whilst we make every effort to safeguard guests, we cannot be responsible for any damage, personal injury or loss due to the actions of passengers that are beyond our control. All cruises are subject to weather and the vessel operator's discretion. Please allow extra time to travel during the wet season (Dec-May) as we occasionally have road closures due to flooding. At certain times of the year 'dangerous' jellyfish inhabit these waters and passengers should take care for their own safety. Passengers entering the water do so at their own risk and the owner of the vessel will not be liable for any personal injury, illness, death or any other consequences whatsoever of passengers being stung by jellyfish. To minimise this risk you will be provided with a full length protective 'Snorkel Suit' to wear whilst swimming and snorkelling during the cruise. Accordingly, Red Cat Adventures shall not be liable for any loss or damage whatsoever which is suffered (including but not limited to indirect or consequential loss) or for any injury to person or property which is suffered or sustained by any passenger as a result of participating in any of its sailing adventures, except for any liability which cannot be excluded by law. Our menu has been designed to cater to most dietary requirement. If passengers require alternative food due to allergies or preference we have an eski on board to store additional lunch/snacks. Please visit our website for Thundercat menu.
